

2nd Division: 5th & 6th Canadian Field Artillery Brigades

3rd Division: 9th & 10th Bde

4th Division: 3rd & 4th

1st Division first CO: Sept 1914

2nd Division first CO: May 1915

3rd Division first CO: Nov 1915

4th Division first CO: Nov 1915

1st Canadian Divisional Trench Mortar Group March 1916 (in Belgium) --> 17 November 1918

2nd Canadian Divisional Trench Mortar Group December 1915 (Belgium) --> ?? (war diaries mention absorption in entry from November 17 1918)

3rd Canadian Divisional Trench Mortar Group May 1916 (Sanctuary Wood) --> 15 November 1918

4th Canadian Divisional Trench Mortar Group July 1917 (France) --> LAC war diaries entries end October 31 1918, no mention of unit disbanding

1st Canadian Light Trench Mortar Battery June 1916 --> November 15 1918
(1/C/1 and 1/C/2 February 1916 (Flanders) (Personnel from 1st Canadian Infantry Brigade) --> June 1916 [combined to become 1CLTMB])

2nd Canadian Light Trench Mortar Battery June 1916 --> ??
(2/C/1 and 2/C/2 March 1916 (France) --> June 1916 (from 2nd Canadian Infantry Brigade). Combined to become 2CLTMB)

3rd Canadian Light Trench Mortar Battery June 1916 --> ??
(3/C/1 and 3/C/2 April 1916 (France) --> June 1916 (from 3 Cdn Inf Bde personnel), combined to become 3CLTMB)

4th Canadian Light Trench Mortar Battery July 1916 --> ??
(4/C/1 and 4/C/2 March 1916 (France) --> July 1916 (personnel from 4 Cdn Inf Bde), combined to form 4CLTMB)

5th Canadian Light Trench Mortar Battery June 1916 --> 16 November 1918
(5/C/1 and 5/C/2 December 1915 (France) --> June 1916 (5 Cdn Inf Bde personnel), combined to form 5CLTMB)

6th Canadian Light Trench Mortar Battery July 1916 --> ??
(6/C/1 and 6/C/2 February 1916 (Belgium) --> July 1916. (6 Cdn inf Bde pers.), combined to form 6CLTMB)

7th Canadian Light Trench Mortar Battery 9 June 1916 --> ??
7/C/1 (March 1916) and 7/C/2 (April 1916) --> 9 June 1916 from 7Cdn Inf Bde pers.), combined to form 7CLTMB

8th Canadian Light Trench Mortar Battery June 1916 --> ??
C/8/1 and C/8/2 February 1916 (France) --> June 1916 (“”)

9th Canadian Light Trench Mortar Battery 20 June 1916 --> ??
C/9/1 and C/9/2 (Meteren) March 1916 --> 20 June 1916 (“”)

10th Canadian Light Trench Mortar Battery 28 May 1916 --> ??

11th Canadian Light Trench Mortar Battery 1 July 1916, arrived France 14 August 1916 --> ??
(formed from 53, 54, 74, 80 and 102 Bttn and 2nd Cdn Div Cyclists)

12th Canadian Light Trench Mortar Battery 2 July 1916, Arrived in France 17 August 1916 --> ??
(formed from 72, 73, 78 and 87 Bttns of 12th Cdn Inf Bde)

14th Canadian Light Trench Mortar Battery (no info)

35th Trench Mortar Battery “Unit of 1st Canadian Division” (no info)

46th Trench Mortar Battery “Unit of 1st Canadian Division” (no info)

Linked to Divisions but not included in Structure

1st Canadian Division

1st Canadian Divisional Train, CASC

1st Canadian Divisional Ammunition Park; 1st Canadian Divisional Ammunition Sub-Park --> 1st Canadian Divisional Mechanical Transport Company

1st Canadian Divisional Salvage Company

1st Divisional Army Service Corps Ambulance Workshop

No. 1 Army Troops Company, Canadian Engineers; 1st Army Troops Company, Canadian Engineers

1st Pontoon Bridging Transport Unit, Canadian Engineers; 1st Bridging and Transport Section, Canadian Engineers

1st Divisional Cycling Company

1st Canadian Divisional Employment Company

35th Trench Mortar Battery

46th Trench Mortar Battery

No. 1 Canadian Mobile Veterinary Section

2nd Canadian Division

2nd Canadian Divisional Train

2nd Divisional Army Service Corps Ambulance Workshop

No. 2 Army Troops Company, Canadian Engineers

2nd Divisional Cyclist Company

2nd Canadian Divisional Employment Company

No. 2 Tunnelling Company, Canadian Engineers

No. 2 Canadian Mobile Veterinary Section

Borden's Motor Machine Gun Battery

3rd Canadian Division

4th Canadian Division

Canadian Corps

; = redesignated

--> = absorbed by

(No. 1 – 11) Canadian Stationary Hospital

(No. 1 - 16) Canadian General Hospital

Convalescent Hospitals, Special Hospitals, Canadian sanitary Sections, Canadian Mobile Laboratories,

CASC

- Canadian Divisional Trains

(1st Canadian Divisional Train, CASC France: Feb 12 1915 --> 29 March 1919)

(2nd Canadian Divisional Train, CASC, France: 13 September 1915)

(3rd Canadian Divisional Train, CASC, France: 23 January 1916)

(4th Canadian Divisional Train, CASC France: 11 August 1916 --> May 1919)

1st Canadian Divisional Supply Column (France: 6 February 1915 --> 14 April 1918 [amalgamated to become 1st Canadian Divisional Mechanical Transport Company])

2nd Divisional Supply Column (France: 10 September 1915 --> 14 April 1918 [amalgamated to become

2nd Canadian Divisional Mechanical Transport Company)

3rd Canadian Divisional Supply Column, CASC (1 February 1916: “Redesignated as 3rd (Temporary) Canadian Divisional Supply Column --> 14 April 1918, amalgamated to become 3rd Canadian Divisional Mechanical Transport Company)

4th Canadian Divisional Supply Column, CASC (France: 12 August 1916 --> 14 April 1918 [amalgamated forming 4th Canadian Divisional Mechanical Transport Company)

(No. 1 - 2) Railhead Supply Detachment

(No. 2 -3, 5-9, 11) Depot Unit of Supply

Canadian Corps Mechanical Transport Column (organized by amalgamation of Canadian Corps Supply Column and Canadian Corps Ammunition Park in April 1918)

Canadian Corps Troops Mechanical Transport Column (April 1918)

1st Canadian Divisional Mechanical Transport Company (April 1918)

2nd Canadian Divisional Mechanical Transport Company (April 1918)

3rd Canadian Divisional Mechanical Transport Company (April 1918)

4th Canadian Divisional Mechanical Transport Company (April 1918)

1st Canadian Divisional Ammunition Park (France: 7 February 1915 [redesignated 1st Canadian Divisional Ammunition Sub-Park on 7 July 1915] Absorbed into 1st Canadian Divisional Mechanical Transport Company 14 August 1918)

No. 2 Canadian Ammunition Sub-Park (originally organized as 2nd Canadian Divisional Ammunition Park) (France: 11 September 1915 – 14 April 1918 [absorbed into 2nd Canadian Divisional Mechanical Transport Company])

3rd Canadian Ammunition Sub-Park organized in France (Feb 1916 --> Absorbed into 3rd Canadian Divisional Mechanical Transport Company in April 1918)

No. 4 Canadian Divisional Ammunition Sub-Park (organized July 1916, France: 10 August 1916 --> 14 April 1918 [absorbed into 4th Canadian Divisional Mechanical Transport Company]

1st Canadian Army Auxiliary Horse Transport Company

2nd Canadian Army Auxiliary Horse Transport Company

1st Canadian Field Bakery

2nd Canadian Field Bakery

3rd Canadian Field Bakery

4th Canadian Field Bakery

1st Canadian Field Butchery

2nd Canadian Field Butchery

Canadian Corps Salvage Company

1st Canadian Divisional Salvage Company
4th Canadian Divisional Salvage Company

1st Divisional Army Service Corps Ambulance Workshop (France: 7 February 1915 --> 1 April 1916)
2nd Divisional Army Service Corps Ambulance Workshop (Authorized 15 June 1917, disbanded 1920)
3rd Divisional Army Service Corps Ambulance Workshop (Authorized 15 June 1917, disbanded 1920)
4th Divisional Army Service Corps Ambulance Workshop (Authorized 15 June 1917, disbanded 1920)

1st Canadian Cavalry Brigade Motor Ambulance Workshop Unit

1st Canadian Cavalry Brigade Supply Column, France: 28 January 1916, redesignated Canadian Section, 20 February 1917: 5th Cavalry Divisional Supply Column)

No. 1 Army Troops Company, Canadian Engineers (France: 17 January, 1916, 1st Canadian Division, February 1916: Redesignated 1st Army Troops Company, Canadian Engineers --> Demobilized 1919)

No. 2 Army Troops Company, Canadian Engineers [possibly 2nd Canadian Division ??]

No. 3 Army Troops Company, Canadian Engineers (France: 10 June 1916, 3rd Canadian Division --> Demobilized 1919)

No. 4 Army Troops Company, Canadian Engineers (France: 22 January 1918, 4th Canadian Division --< Demobilized 1919)

No. 5 Army Troops Company, Canadian Engineers (Organized April 1917, France: 28 June 1917, various commanders including Canadian Corps and XIII Corps of British Army, then Canadian Corps again --> 1919)

Pontoon Bridging Units, Canadian Engineers

1st Pontoon Bridging Transport Unit, Canadian Engineers (organized France May 1918 as 1st Bgridging and Transport Section, Canadian Engineers, redesignated 13 September 1918), 1st Canadian Division

2nd Pontoon Bridging Transport Unit, Canadian Engineers (France: June 1918), 2nd Canadian Division

3rd Pontoon Bridging Transport Unit, Canadian Engineers (France: May 1918), 3rd Canadian Division

4th Pontoon Bridging Transport Unit, Canadian Engineers (France: May 1918), 4th Canadian Division

Misc Units, Canadian Engineers

Canadian Corps Survey Section, CE
Anti-Aircraft Searchlight Company, Canadian Engineers

Signal Service, Canadian Engineers

1st Canadian Divisional Signal Company, Canadian Engineers (France: 11 February 1915 --> demobilized Toronto May 1919)

2nd Canadian Divisional Signal Company, C.E. (France: 13-15 September 1915 --> demobilized Toronto 1919)

3rd Canadian Divisional Signal Company, C.E. * (Organized in France: December 1915 --> demobilized Ottawa 1919)

4th Canadian Divisional Signal Company, C.E.* (France: 12 August 1916 --> Demobilized Toronto June 1919)

* denotes unit of same name was disbanded upon arrival in England

5th Canadian Divisional Signal Company, C.E. (France: August 1917 with 13th and 14th Brigades, Canadian Field Artillery)

Field Companies and Battalions, Canadian Engineers

1st – 16 (7 x 2, 8 x 2, 9 x 2, 13 x 2, 14 x 2) Field Company, Canadian Engineers

(LAC pdf p. 4 “Throughout most of the war, each division had three field companies of engineers and one pioneer battalion. In April 1918, however, a major reorganization took place and, as a result, each division had an Engineer Brigade consisting of three engineer battalions and a pontoon bridging transport unit.”)

1st Field Company, Canadian Engineers, France: 12 February 1915, 1st Canadian Divisional Engineers --> May 1918 (absorbed by 1st Battalion, Canadian Engineers)

4th Divisional Cyclist Company, May 1916: broken up in England

Canadian Corps Cyclist Battalion” May 1916 --> April 1919 (demobilized)
[war diary -> B and C company report to 1st Canadian Division Oct 7 1916 for upcoming operation, returned next day]

Canadian Reserve Cyclist Company

Depot Battalions

Divisional Ammunition Columns

1st Canadian Divisional Ammunition Column (591) (France: 12 February 1915, 1st Canadian Divisional Artillery --> March 1919)

2nd Canadian Divisional Ammunition Column, France: 17 September 1915, 2nd Canadian Divisional Artillery --> May 1919

3rd Canadian Divisional Ammunition Column, France: 15 July 1916, 3rd Canadian Divisional Artillery --> February 1919

4th Canadian Divisional Ammunition Column, “Mobilized at Bouvigny Huts on 25 June 1917...Returned to England 26 April 1919” (LAC pdf 47)

5th Canadian Divisional Ammunition Column, France: 22 August 1917 --> 1919

Employment Companies

1st Canadian Divisional Employment Company (France: 10 June 1917 --> February 1919)

2nd Canadian Divisional Employment Company (Organized in France June 1917 --> February 1919)

3rd Canadian Divisional Employment Company (June 1917)

4th Canadian Divisional Employment Company (France: 9 June 1917 --> 27 January 1919)

5th Canadian Divisional Employment Company (France: 29 June 1917, 11 August 1917: Redesignated 5th Canadian Area Employment Company --> February 1919)

6th Canadian Divisional Employment Company (Formed in France August 1917 --> January 1919)

7th Canadian Divisional Employment Company (Formed in France September 1917 --> January 1919)

8th Canadian Divisional Employment Company (Formed in France September 1917, British V and XIII Corps --> October – November 1917 --> Canadian Corps --> May 1919 (after absorbing 3 corps)

9th Canadian Divisional Employment Company (July 1918 --> February 1919)

Entrenching Battalions

1st Canadian Entrenching Battalion (disbanded September 1917 [Canadian Corps Reinforcement Camp created])

2nd Canadian Entrenching Battalion (October 1917: Combined with 2nd Canadian Divisional Training Battalion --> 2nd Divisional Wing Canadian Corps Reinforcement Camp)

3rd Canadian Entrenching Battalion (disbanded September 1917 [Canadian Corps Reinforcement Camp created])

4th Canadian Entrenching Battalion (disbanded September 1917 [Canadian Corps Reinforcement Camp created])

Infantry Works Companies

1st Canadian Infantry Works Companies, September 1918: organized from 1st Canadian Infantry Works Battalion, mostly under Royal Engineers' supervision --> May 1919

2nd Canadian Infantry Works Companies, September 1918: from 2nd Canadian Infantry Works Battalions, under supervision of 2nd Canadian Tramways Company. April 1919: Combined with 1st Canadian Infantry Works company

3rd Canadian Infantry Works Companies, September 1918: from 1st Canadian Infantry Works Battalion. Mainly under Royal Engineers --> May 1919

4th Canadian Infantry Works Companies (September 1918 from 2nd Canadian Infantry Works Battalion, projects under Royal Engineers and 1st/2nd Canadian Tramways Companies --> January 1919

Labour Battalions

Railway construction under British until November 1917: 2 --> Canadian Corps, 2 --> Canadian Railway Troops [LAC pdf 3]

1st Canadian Labour Battalion (France: 11 January 1917 --> March 1918 (1st Canadian Works Battalion)

2nd Canadian Labour Battalion (France: 10 February 1917, 21 November 1917: 12th Battalion Canadian Railway Troops)

3rd Canadian Labour Battalion (France: 10-11 February 1917, 29 November 1917: 11th Battalion Canadian Railway Troops)

4th Canadian Labour Battalion (France: 15 March 1917, 28 March 1918: 2nd Canadian Infantry Works Battalion)

Machine Gun Units

Machine Gun Squadron, Canadian Cavalry Brigade

1-19 Canadian Machine Gun Company

(mostly attached to brigades in Canadian Divisions until detached in 1917 to form Divisional Machine Gun Battalions)

1st Canadian Motor Machine Gun Brigade (France: 17 June 1915, 1st Canadian Division), 8 June 1918: Reorganized, absorbed other units --> 1919

2nd Canadian Motor Machine Gun Brigade (June 1918: Formed in France)

Borden's Motor Machine Gun Battery (France: 15 September 1915, 2nd Canadian Division --> 12 July 1916)

Eaton Motor Machine Gun Battery (France: 25 February 1916, 3rd Canadian Division --> 12 July 1916)

1st Battalion, Canadian Machine Gun Corps, Formed 27 March 1918 (Reorganization of 1st Canadian Divisional Machine Gun Battalion --> 1919)

2nd Battalion, Canadian Machine Gun Corps (21 March 1918: Formed in France [Reorganization of 2nd Canadian Divisional Machine Gun Battalion] --> 1919)

3rd Battalion, Canadian Machine Gun Corps (19 March 1918: Formed in France [Reorganization of 3rd Canadian Divisional Machine Gun Battalion] --> 1920)

4th Battalion, Canadian Machine Gun Corps (23 March 1918: Formed in France [reorganization of 4th Canadian Divisional Machine Gun Battalion] --> 1920)

Canadian Machine Gun Training Depot

Canadian Machine Gun Corps Depot

2nd Canadian Tank Battalion, CMGC (England: October 1918 --> 1920)

3rd Canadian Tank Battalion, CMGC October 1918: Organized, November 1918: Demobilized

Miscellaneous Infantry Units

Young Soldiers' Battalion

1st Canadian Casualty Training Battalion (October 1916 – February 1917)

No.1 Jewish Reinforcement Draft

Miscellaneous

Canadian Casualty Assembly Centre

Canadian Remount Depot

No. 100 Canadian Remount Squadron

3rd Divisional Mounted Police (no info)

Trench Mortar Batteries and Groups

“Each division had a trench mortar group, which was composed of one heavy battery and three medium batteries.” (LAC pdf 3)

1st Canadian Divisional Trench Mortar Group (March 1916: Formed in Belgium --> 17 November 1918)

2nd Canadian Divisional Trench Mortar Group (December 1915: Organized in Belgium --> ?)

3rd Canadian Divisional Trench Mortar Group (May 1916: Formed near Sanctuary Wood --> 15 November 1918)

4th Canadian Divisional Trench Mortar Group (July 1917: Organized in France --> ?)

5th Canadian Trench Mortar Group December 1916 --> 16 November 1918

1-14 Canadian Light Trench Mortar Battery
(mostly formed from personnel from Canadian Infantry Brigades)

35th Trench Mortar Battery (“Unit of 1st Canadian Division”)

46th Trench Mortar Battery (“Unit of 1st Canadian Division”)

Tunnelling Companies and Canadian Engineers0

No. 1 Tunnelling Company, Canadian Engineers (France: 16 February 1916 --> 12 July 1918)

No. 2 Tunnelling Company, Canadian Engineers (France: 10 March 1916, 2nd Canadian Division --> 6 July 1918)

No. 3 Tunnelling Company, Canadian Engineers (December 1915: Organized. “Formed by absorbing the brigade mining sections of 1st and 2nd Canadian Divisions” [LAC pdf 10] --> 1919)

No. 4 Tunnelling Company, Canadian Engineers (24 August 1916: Absorbed by Canadian Engineers Training Depot)

Canadian Army Veterinary Corps

“A” Canadian Mobile Veterinary Section, Canadian Cavalry Brigade

No. 1 Canadian Mobile Veterinary Section, France: 11 February 1915, 1st Canadian Division --> 28 March 1919 (28)

No. 2 Canadian Mobile Veterinary Section, France: 16 February 1915, 2nd Canadian Division --> ?? returned to England, disbanded 1920

No. 3 Canadian Mobile Veterinary Section, France: 2 March 1916, 3rd Canadian Division --> 1919 (England)

No. 4 Canadian Mobile Veterinary Section, France: 16 August 1916, 4th Canadian Division -->??.
disbanded 1920

No. 1 Canadian Veterinary Hospital

No. 2 Canadian Veterinary Hospital

Canadian Corps Veterinary Evacuating Station
